

Adding Users to MyHS

How to add users to your MyHS Premium account

Requirements

- A MyHS Premium account

Adding a User

1. Visit myhs.homeseer.com, enter your credentials, then click **Manage Account**.
2. Click **Add User** under the **Systems and Users** section and you will be brought to a page where you can create a username and password for the account. You can also select which systems and apps this account has access to.
3. Once everything is set up as desired, click the **Add User** button at the bottom.
