

# HS3Touch

Documentation on using the HSTouch Designer and client.

## [HS3Touch Designer User Guide](#)

## [Configure Weather for HSTouch](#)

How-to configure weather for your HSTouch default client.

## [How to Connect HSTouch Designer to HS](#)

Instructions on connecting HSTouch Designer to your HS3 or HS4 system.

## [HSTouch Client Setup](#)

Here you will learn how to configure your HSTouch settings and use HSTouch to connect to your HomeSeer system directly, without our MyHS service from your phone, tablet, or other mobile device.
